

FOREVER FREDDIE

The Forever Freddie tribute show takes you through the amazing life story of the extrovert and iconic global superstar Freddie Mercury and Queen. Joe Tilly sings and performs the rock and pop classics that will live on forever – hence the show name Forever Freddie.

Forever Freddie is now recognised as one of the UK's top showmen and he has totally nailed Freddie's 3 octave vocals, trademark flamboyant moves and incredible showmanship. Each song is performed with such perfect accuracy that you really believe you are there with the real Freddie Mercury. All stage costumes are carefully chosen to recreate the typical Freddie look. The legendary crown and union jack robe completes the show's finale.
